International Gospel Outreach

GLOBAL FELLOWSHIP

It is time to re-connect!

If you live in the southeast - HEADS UP!!

We are having a get together in Mobile at the IGO HQ!

Hello everyone. This is Jay Boggs, posting on behalf of James Graham. We are in the process of planning several events designed to connect our *fellowship members* on a deeper level.

Please send me your updated contact info to JBoggs@IGOministries.org. Include your address, phone number, and email address. Also, if you have a webpage or ministry page, I would love a chance to check it out and get to know you better.

As many of you know we had to cancel our Global Fellowship Conference last year. Since then, we have had several impactful events in our fellowship family. Old friends have passed and we have welcomed a new generation of ministers and evangelists into the fellowship.

In efforts to help each of us connect more fully to each other, forming relationships based on friendship and common desire to know each other better, we have decided to start hosting regular gatherings.

The first will be a luncheon on **June 26th, 2021 from 11 am until 3 pm**. It will be held at the home office here in Semmes, AL. This lunch is a chance to form relationships as friends. We will not be preaching or teaching. We will not be giving 47 revelations out of the book of Leviticus. We will not be allowing any spontaneous speakers.

What we will be doing is serving you some good old-fashioned southern food. Brisket and other delectable items.

The goal of this luncheon is simple. Provide an environment to get to know each other and connect in a meaningful way. There is no pressure to attend and is open to all active and lifetime members.

Because it will become a regu-

lar occurrence if you are unable to make this event, there is no pressure as the next one will be happening in the near future.

To our out-of-town members, you are welcome as well. We know it is unlikely you will be able to attend. However, we have not forgotten you. After we have hosted a couple of these regularly and worked out the kinks with planning, I will attempt to determine central locations and try to help facilitate some in-person interaction among the people in your area.

In the meantime, send us your updated contact info, and be praying. Pray with us that God would bind us together as a family, giving us a renewed passion and vision. Ask for clarity for our leadership and each of our members on our part of working together to gather the greatest harvest in the history of the world.

We are grateful for your partnership. Be on the lookout for a follow-up email invitation. If you are planning to attend, please email JBoggs@IGOministries.org we need to know how much food to prepare if possible. Thank you.

Looking forward to seeing you!
