

## International Gospel Outreach

exists to serve the Body of Christ, world-wide in *accomplishing the great task of Global Evangelism, Making Disciples and Growing Leaders.*

We do this by helping local churches grow in their mission endeavors, prepare and send missionaries, and provide support services to help them in their work. We also provide education and training to Foreign Pastors and leaders to help them in their own countries.

It is our desire to see strong, healthy missionaries, national leaders and teams in EVERY NATION of the world, making disciples that reproduce in every nation that we touch.

### A Brief History:

Begun in 1973, as the Bertist Rouse Evangelistic Ministry (BREM) Inc. Our first mission endeavors were to Chile, in South America. In the following years, we expanded into Haiti, Mexico and other countries. Then, in 1986, feeling a need to position the ministry to live beyond his lifetime, Bertist and Anna Merle Rouse changed the name of the organization to International Gospel Outreach.

Since then, many missionaries have been deployed to 40 nations all over the world. It is our great fulfillment to help those called individuals to work in the Harvest.

Today, IGO serves across denominational lines to help missionaries go. Some may not qualify for denominational programs due to

age, health or number of children. IGO considers these factors in partnership with the missionary's home church, and works to help all ages obey the command to GO.
